

# Chartered Teacher Status

With Catholic Educator Specialism

**Be one of the first teachers to achieve Chartered Status through this new specialist pathway.**

Chartered Teacher Status provides formal recognition to teachers who demonstrate an advanced standard of practice. This brand new programme will enable you to build and demonstrate your expertise as a Catholic educator as you apply evidence-informed pedagogical approaches in your context.

## **Be recognised for your expertise**

Complete a series of individually-certified assessment units, with successful completion leading to the award of Chartered Teacher Status and postnominals 'CTeach'.

## **Professional learning with a Catholic focus**

Reflect on your unique experiences as a Catholic educator, applying the principles of Catholic Social Teaching as you undertake meaningful professional learning that will make a real difference to the students you teach.

## Bespoke 15-month programme

Programme commences  
April 2026
