The Application Process

Application Form

Applications at the main point of entry (Reception) must be made on the local authority application form. Applications must be made to your local authority by the national closing date.

Local Authority	Deadline for applications	Website link
Devon	15 January 2021	https://new.devon.gov.uk/educationandfamilies/school-information/apply-for-a-school-place

Applications deadlines:

Any applications received later than the deadline will be dealt with as late applications.

Please ensure applications and supplementary evidence is submitted by the deadline.

Applications under faith criteria

Applicants wishing to apply for a place under faith criteria should complete the Supplementary Form (appendix 1).

The completed form, together with any required evidence, (see below), should be returned to the relevant local authority for which a preference has been made by the closing date.

Parents and carers applying under the faith criteria should either:

- Complete part A of the SIF (appendix 1) along with a copy of the child's baptism certificate with the parish stamp and priest's signature

Or

- Complete part A and B of the SIF (appendix 1), signed by the relevant faith leader.

Exceptional need for admission to our school

We give higher priority for children where there is an exceptional need to attend this school and not another school. The need must be specific to this school: a child may have very challenging circumstances that require additional support but if that support could also be provided at another school, there would be no exceptional need to attend **this** school.

The exceptional need could be due to the parent's circumstances. Exceptional need could include:

- A serious medical condition, which can be supported by medical evidence;
- Significant caring responsibilities, which can be supported by a social worker;
- Where one or both parents or the child has a disability that may make travel to another school more difficult, which can be supported by medical evidence.

These examples aren't meant to be exhaustive or exclusive. Neither should it be assumed that similar circumstances would impact on different children and families in the same way.

- If there are medical reasons that make it essential for a child to attend this school, the parent must provide supporting information from a doctor, together with any other relevant information.
- This must make a compelling case as to why the child's needs or the parents can only be met here; a medical condition will not automatically result in a place here. It is not essential for the doctor to name this school and we wouldn't expect a doctor to have sufficient, specific knowledge of the school but the evidence should explain exactly what the child's needs are and what specialist support and facilities are required.
- For social reasons, parents must provide independent evidence from a relevant professional supporting the family. The supporting evidence must set out the particular reasons why this school is the most suitable and the difficulties that would be caused if the child had to attend another school. It is not essential for the professional supporting the family to have in-depth knowledge of this school, but the evidence must explain exactly what the needs are and what specialist support and facilities are required.

Exceptional need for admission here will **not** be accepted on the grounds that:

- a child may be separated from a friendship group.
- parents wish to avoid a child from the current or previous setting.
- child-care arrangements before or after school would have to be changed.
- transport arrangements would have to be changed.
- there is a medical condition such as asthma that does not require specialised treatment.
- The child has a particular interest or ability in a subject or activity.

Evidence from a relevant professional, independent of the family will be required in every case and should be made available in time for the local authority which will not prioritise an application as demonstrating exceptional need.

Parents can indicate on a common application form that they believe there is an exceptional need for admission here. It is not expected that a parent will seek this priority at a school that was not named as the first preference. The onus is on parents to submit their supporting evidence and to provide further evidence if requested to do so. Parents who apply using a common application form from another local authority without a tick box for exceptional need should put a note in the reasons for their preference that they are requesting exceptional need priority and provide the required supporting evidence.

Catchment Area:

We do not operate a catchment area which gives priority for school admissions purposes.

How the Admissions Process works

Without exception, all parents have to make a formal application for admission to a state-funded school. Places are not allocated automatically, and no child has a guarantee of admission. This includes children with siblings at a school or those at a particular school or nursery. We welcome visits from parents - and their children - who are considering applying for a place here. This is an opportunity to see what we have to offer. Visits are not a compulsory part of the admissions process and will not affect decisions on whether a place can be offered here. Parents can arrange visits by contacting the school office.

Policy Changes:

Once our policy is determined, it cannot be changed unless an amendment is required to correct a typographical error, to ensure that the policy complies with the Codes, in response to a determination of the [Office of the School's Adjudicator](#) or where approval has been received to a request for an In-Year Variation. Any amendments that are made will be detailed in the [Policy Version](#) section above.

Statutory Information

Admission of children outside the normal age group

Parents may seek a place for their child outside of the normal age group for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. However, this is a Trust decision and strict criteria apply. The Trust has the right to refuse if it believes it could compromise the child or school.

Parents of summer born children may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to Reception rather than Year 1. This is an unusual request and should not be taken lightly. Parents who wish to seek a place for their child outside the normal age group should make an application for a school place for the child's normal age group and should also submit a request for admission out of the normal age group at the same time, following the procedure set out by the relevant local authority.

Although the process is co-ordinated by the local authority, the decision is made by the Trust. The decision will be made based upon which age group the child should be admitted into, taking account of the circumstances of each case and the best interests of the child. Once that decision has been made the oversubscription criteria will be applied to determine if a place can be offered at the school.

The school is not required to honour a decision made by another admission authority on admission out of the normal age group. Your statutory right to appeal against the refusal of a place at a school for which you have applied is unaffected. However, the right to appeal does not apply if you are offered a place at the school but it is not in your preferred age group.

Deferred Admission:

By law, children must attend school full time once they reach compulsory school age. A child reaches compulsory school age on the **prescribed day** following his/her fifth birthday or on his/her fifth birthday if it falls on a prescribed day. The **prescribed days are 31st December, 31st March and 31st August**.

If your child is offered a full-time place before s/he reaches compulsory school age, you have the option of deferring the child's entry up until the term in which the child reaches compulsory school age. A place will be held and will not be offered to another child provided the place is taken up within the same academic year.

Parents can request that their child attends part-time until the child reaches compulsory school age.

Child's fifth birthday	Parent can defer admission or child can attend part-time until the start of term in
1 September – 31 December 2021	January 2022
1 January – 31 March 2022	January 2022 OR April 2022
1 April – 31 August 2022	January 2022 OR April 2022 OR

	September 2022 by making a fresh application for a Year 1 place (June 2022) or making a fresh normal round application for Reception in 2022-23
--	---

Late Applications

Late applications will be administered in accordance with the local authority admissions policy within which the academy is located. Under the statutory arrangements, there is no flexibility permitted if you miss the application deadline.

In-year applications:

How to apply for admission – in-year to any Year Group

This school will participate in Devon LA's in-year coordinated admissions scheme for 2021-22 www.devon.gov.uk/admissions

After the normal round intake, parents apply for a place at this school by completing the local authority's Application Form, regardless of where the child lives. This is available at www.devon.gov.uk/admissionsonline or by calling the LA for a paper version

Applications can be made at any time after the Year Group has started but will not be processed sooner than 8 school weeks before the place is required, or 16 weeks for service families. They will be considered in date order with all those received by Devon County Council's School Admissions Team by midnight each working day considered together.

The responsibility for decisions lies with the admissions authority for the school which may meet virtually (for example by conference call). Decision-making cannot be made by a single individual. Decisions will be sent to parents by Devon County Council's School Admissions Team.

The school will notify the LA of numbers on roll in the school within 2 school days when requested to do so. This enables the LA to be able to advise parents. When notified of an application, we will give the view of the school on whether a place should be offered within 5 school days. This is to ensure that a decision can be communicated to the parent within 10 school days

Fair Access Protocols:

The school takes part in Devon County Council's In-Year Fair Access Protocol. This ensures that children who are vulnerable and unable to access an appropriate school place under the standard In-Year admission arrangements for the area have an admissions safety net. This may mean that a child is admitted here even though the school is full and other children have been refused admission.

Under the statutory Admissions Code (2021), the mandatory categories of children who can be placed via the IYFAP has been expanded to include children on a Child in Need/Child Protection Plan; children in refuge; children in formal kinship care arrangements; children

who have been out of education for four or more weeks, and previously looked after children for whom the local authority has been unable to promptly secure a school place.

The IYFAP cannot be routinely used in place of the usual in-year admissions process.

Placement decisions made under the IYFAP must be made within 20 school days of a child being referred to the IYFAP.

The **Devon In-Year Fair Access Protocol** can be found at <http://devon.cc/lapolicies>

Infant Class Size Regulations:

There is a statutory requirement for infant classes of 30 pupils. Parents/carers should be aware that when applications for places are being considered by the school, there is a requirement to keep to the 30-pupil limit in each Reception, Year 1 and Year 2 class. Parents/carers do have a right of appeal in accordance with the Infant Class Size Regulations if the school is oversubscribed and their child is refused a place.

Statutory right of appeal:

Information on how to appeal can be found on the local authority website. Your appeal should be lodged within twenty school days after the date of the decision letter.

If a child is not offered a place, parents/carers have a statutory right to appeal. An appeal should be made in writing to the local authority.

Fraudulent Information:

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the governors reserve the right to withdraw the place.

Waiting Lists:

We will operate a waiting list for each year group until the end of the academic year. This will be maintained by us and shared with the LA. Our waiting lists will only contain the names of children who have formally applied and been refused admission.

Children's positions on the waiting list will be determined solely in accordance with our oversubscription criteria. Positions will be reordered whenever anyone is added to or leaves the waiting list. Therefore, a child's name can go up or down on the list. The length of time on a waiting list does not affect a child's position.

Parents must confirm they wish the child to remain on the waiting list when requested to do so and must reapply at the end of the academic year. This is to ensure the list is kept up to date.

Applications for twins/multiple birth children:

Where a place available is offered to a child from a twin or multiple birth, a place will be offered to both twins, triplets etc even if this means exceeding the admission number.

Attendance at Nursery: (school to remove if not applicable)

Attending a nursery, or a pre-school setting on the site of the academy, does not give any priority within the oversubscription criteria for a place in the academy.

Pupils who have EHCPs

All students who have an Educational Health and Care Plan (EHCP) which names the school, will be offered a place.

Notes and Definitions

Note 1 - Definition of looked after children or previously looked after children:

A "looked after child" is a child who is: (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in s.22(1) of the children's Act 1989) at the time of making an application to a school.

A "previously looked after child" is a child who: (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children's Act 2002 [see s.46 adoption orders] , or (b) became subject to a child arrangements order (under the terms of the Children's Act 1989 s.8, as amended by s.12 of the Children's and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or (c) became subject to a special guardianship order (see S.14A of the Children's Act 1989 - an order appointing one or more individuals to be a child's special guardian [or special guardians]).

A child who has been adopted having previously been in overseas state care (referred to as IAPLAC) is a child who appears (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in 'state care outside of England' if he/she was in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Note 2 - Definition of Catholic: A child baptised in the Catholic Church (evidenced by a baptismal certificate or a completed SIF with the parish stamp and priest's signature).

Note 3 – Other faith evidence is provided through a dedication certificate or a completed SIF signed by the relevant faith leader.

Note 4 - Definition of siblings. 'Sibling' means a natural brother or sister, a half-brother or sister, a legally adopted brother/half-brother or sister/half-sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

Note 5 - Place of Residence: Places are offered here on the basis of where the child will attend school, not necessarily where they live when the application is made.

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. Any other evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes. This may be necessary, for instance, where parents do not agree on the child's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, the admissions authority will determine the home address. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Where we ask for evidence of a new address from which a child would attend school, this would often be written confirmation of a house purchase or a formal tenancy agreement. We recognise that some families may be unable to provide this. Parents who cannot provide this evidence should contact us or the local authority. There is no intention to penalise families where there is a genuine reason why evidence cannot be provided.

Note 6 - Parents:

A parent is any person who has parental responsibility or care of the child. When we say parent, we also mean carer or guardian. Where admission arrangements refer to parents this can mean one parent or both. We may ask for evidence of parental responsibility where a person is acting as a parent but does not hold formal parental responsibility.

Sometimes there is a dispute between parents over which school a child should attend. When we take decisions over admissions, we will seek advice from the local authority and the diocese.

Note 7 - Definition of post where there is a demonstrable skills shortage:

Would be a teaching post with an age group specialism such as early years or year 6, or a subject specialism such as Maths, where there is a recognised shortage nationally or regionally, or where the post has already been advertised unsuccessfully.
